## Work Experience

### **Web Designer/Developer**

MAToday, LLC - Aston, PA

January 2010 to Present

MAToday is a high end medal and award manufacturer. Responsibilities included front end web design and writing back end plugins to chart project profits, tracking shipping costs and more. Additional duties utilized the Adobe Creative Suite to design medals drafts for client approval.

### **Web Design and Development**

Freelance - Exton, PA

2008 to 2022

Independent web developer specializing in WordPress. Clients include local Government, Doctors, Lawyers, Community Programs, and Small Businesses. Provided custom solutions for unique client needs. Creative Logos, Business Cards, Letterheads, Brochures and Signage for many professional businesses. • Speak with clients and develop solutions that solve problems.

- Set tasks and meet milestones while listening to client feedback.
- Follow up with clients to ensure project satisfaction.
- Google Analytics Certified.
- Google Data Analytics Certified.
- Currently pursuing IAAP WAS and CPACC Certifications.

Recent Solutions to Client Problems:

- Develop a Secure Client Portal for a Law Office for users to upload sensitive documents. Files were encrypted and access was restricted to site administrators and the user who uploaded the document. • Create online registration forms and enter the data into a custom PDF Template complete with an eSignature.
- Completed a backend Cost Analysis Tool to track profit, manufacturing costs, and shipping costs per job.

Technical Experience Related to Position:

- Javascript, PHP, and SQL
- Photoshop, Illustrator, Google Sheets, and Microsoft Office Suite
